Dear Sir:

**TRANSMITTAL OF DECLARATION AND POWER OF ATTORNEY IN RESPONSE TO  
NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)**

The above captioned patent application was deposited with the U.S. Patent and Trademark Office (USPTO) on March 1, 2004, for purpose of obtaining a filing date with the application papers omitting the declaration. On June 24, 2004, the Applicants responded by facsimile to a Notice to File Missing Parts that was mailed on May 20, 2004. Lanette Burton faxed to the USPTO a Transmittal of Declaration and Power of Attorney in Response to Notice to File Missing Parts of Application authorizing payment of the \$130 surcharge to be charged to deposit account 11-0875 and the combined declaration and power of attorney signed by the inventors for the above patent application. On July 20, 2004, the Applicants received a Notice of Incomplete Reply indicating the oath or declaration was still missing. The combined declaration and power of attorney (12 pages) is again submitted along with the Notice of Incomplete Reply, the previously received Auto-Reply Facsimile Transmission, the previous Transmittal of Declaration and Power of Attorney in Response to Notice to File Missing Parts of Application, and the Notice to File Missing Parts, for a total of 20 pages.

Pursuant to 37 C.F.R. § 1.8(b), the Applicants assert that the missing declaration was timely filed on June 24, 2004 since it was personally sent by Lanette Burton by facsimile and an Auto-Reply Facsimile Transmission was received by Lanette Burton indicating receipt by the USPTO. Thus, no additional fees are believed due other than the missing parts surcharge that was previously authorized

to be charged to deposit account 11-0875. However, should the USPTO determine that additional fees are due, including any extensions of time as may be required, please charge any additional fees to deposit account 11-0875.

Respectfully submitted,

MICHAEL J. FAULKS ET AL.
